This Directory is used by prime contractors/ consultants, as well as other agencies, to solicit participation of DBE firms. The Directory can be accessed on the Internet at www.transitchicago.com.

Your participation on contracts will only be credited toward DBE contract goals when you perform in your firm's approved area(s) of specialty. Credit for participation in an area outside your specialty requires prior approval (verification of resources, expertise, and corresponding support documentation, etc.).

Please note:

- This certification does not attest to your firm's abilities to perform in the approved work category (ies).
- Your certification may be revoked if your firm is found to be involved in bidding or contractual irregularities or has violated DBE program regulations pursuant to 49 CFR Part 26.107.
- For work to count toward a DBE contract goal, the DBE firm must perform a "commercially useful function" pursuant to 49 CFR Part 26.55. A DBE is considered to perform a commercially useful function when it is responsible for execution of a distinct element of the work of a contract and carrying out its responsibilities by actually performing, managing, and supervising the work involved.

For All Non Trucking Firms:

- Firms seeking work with IDOT as a prime or subconsultant in specialized engineering categories must be prequalified by IDOT's Bureau of Design and Environment.

For All Trucking Firms:

- All DBE trucking firms must own at least one truck. The truck must be operable and capable of hauling materials specific to the contract. The owned truck(s) must be used prior to utilizing leased truck(s).
- The DBE trucking firm receives goal credit for the total value of the transportation service it provides on the contract using trucks it owns, insures and operates and using drivers it employs.
- The DBE trucking firm, which leases trucks from another DBE trucking firm, receives goal credit for the total value of the transportation services the lessee DBE provides on the contract.
- When a DBE trucking firm leases from a non-DBE trucking firm, the goal credit is limited to the fee or commission the DBE receives as a result of the lease arrangement. The fee or commission shall be reasonable and shall be indicated on the lease.
- For any credit to be allowed for leased trucks, the leases must be properly filed with the Illinois Commerce Commission (ILCC), and indicate that the DBE has exclusive use and control over the truck(s). Leased trucks must visibly display the name and ILCC number of the DBE trucking firm.
